

## *The Corporal Acts of Mercy*

The corporal acts of mercy are familiar to many Catholics and give Franciscans concrete ways to live our Rule.

Your regional Justice, Peace and Integrity of Creation (JPIC) team is providing a series on the Acts of Mercy for use in fraternity ongoing formation. These easy-to-use lessons are based on St. Clair's model, **Gaze, Consider, Contemplate and Imitate** and can be printed on both sides of one sheet of paper. Titles currently available include the following:

- *Introduction to the Corporal Acts of Mercy*
- *Feed the Hungry*
- *Give water to the thirsty*
- *Care for creation.*

**On the pages listed below the index headings to the right, you will find links to the lessons above, highlighting our call to serve our brothers and sisters in need.**

More titles will become available in 2025.
